KAVARVI ARTIST AWARDS EVENT JURY AGREEMENT

This agreement outlines the responsibilities and expectations for members of the jury.

1. Role and Responsibilities

- 1.1 Jury members are responsible for evaluating and scoring the performances of all contestants based on predetermined criteria.
- 1.2 Jury members must provide fair, unbiased, and constructive feedback to each contestant.
- 1.3 Jury members are expected to maintain confidentiality regarding the scores and deliberations until the final results are announced.

2. Scoring Criteria

- 2.1 Performances will be scored based on the following criteria: creativity and originality, skill and technique, stage presence, and overall impact.
- 2.2 Jury members will use a standardized scoring sheet to ensure consistency and fairness in their evaluations.

3. Conduct and Ethics

- 3.1 Jury members must conduct themselves with professionalism and integrity at all times.
- 3.2 Jury members must avoid any behavior that could be perceived as favoritism or bias.

4. Confidentiality

- 4.1 Jury members agree to keep all deliberations and scores confidential until the official announcement of results.
- 4.2 Unauthorized disclosure of scores or deliberations may result in the disqualification of the jury member.

5. Additional Contributions

Jury members should provide at least any 2 of the following apart from jurying:

- New Leads and Potential Customers: Jury members will have the opportunity to interact with new audiences and markets, potentially gaining new leads and customers.
- Brand Awareness: Jury members can enhance their visibility through the promotion of the event.
- Innovative Marketing Ideas: Jury members are encouraged to leverage creative strategies to engage with the audience.
- PR Campaigns and Celebrity Contacts: Jury members may tap into influential networks to promote the contest and its participants.
- Product Creation Collaboration: Jury members can collaborate on developing exclusive products related to the contest.
- Services on Site: Jury members can provide valuable services on-site with their expertise.
- Cross-Functional Contests: Jury members may host or participate in joint contests or competitions.
- Tech Support: Jury members with technical expertise can provide support to ensure the smooth operation of the contest.

6. Potential Registrations

- 6.1 Jury members should help drive contestant participation through their influence and networks (at least 7 if paid, at least 20 for non-paid contests).

Disclaimer: There is no application for judges; they will be directly selected by the core team based on the best juries of previous or contest theme.
